“ FORT4LEZA ”

It is said of an unprecedented strength and determination, related to the experience of the SPV Complutense colours and directly proportional to wearing the number 4 shirt of the Barris, that of Inés.

This is everything she stands for: strength, grit, fortitude, joy and serenity.

This is what this Tournament aims to keep alive and share with all those who participate.

The Fort4leza-Memorial Inés Goyarrola Tournament was born out of the desire of the whole SPV Complutense family to pay tribute to the number 4 dorsal of our Mums team. She encouraged us, her team "Las Barris" and all the parents of the Complu, to play together until the end in her difficult match against leukaemia.

- This Tournament is a celebration of hockey, an occasion to get together and compete and above all, to celebrate life and enjoy it with the enthusiasm and joy that we always share with Inés.

- The Fortaleza Tournament will benefit several entities that fight for research against cancer and leukaemia: Uno Entre Cien Cien Mil, Josep Carreras Foundation.
